Korea to Kaliningrad festival

At the beginning of September I took part in an audition for a huge festival, which was dedicated to Korean music and culture. I sent an application form and other files, but I could not expect that I will be there as a ~~performer~~ ^{contestant}.

So, I performed with the Korean song by my favourite band. It was awesome! Before the stage I was quite determined but when I stepped out, the fear came. Even though, I tried to handle it, just do my best. And I did.

When I won the prize, I could not believe in that. Just at the stage my tears came out. I was thrilled and literally shocked.

Some days ago I got my prize. For money that I won, I booked a brand new tablet. This prize reminds me every day about that festival. It is one of the most memorable events in my life! Memories about the festival give me motivation!
